

FUNERAL ON FRIDAY

Mrs. Davis to Be Buried with Military honors.

INTERMENT AT RICHMOND

Southern Governors Invited to Attend Obsequies for Confederate Camps and Virginia Militia to Escort Remains to Grave—Condolence and Tribute from President.

Special to The Washington Herald, Richmond, Va., Oct. 17.—The Confederate organizations here will conduct the funeral of Mrs. Jefferson Davis and accord to her the military honors due her as widow of President Davis.

Her body will be placed in the Davis lot in Hollywood where lie the bodies of Jefferson Davis and Miss Winnie Davis. Lieut. Gov. Elson, who is a close personal friend of the family, will doubtless be master of ceremonies. He left this evening for New York to offer his services to Mrs. Davis, the only surviving child of the Confederate president.

Mrs. Saylor, granddaughter of Mrs. Jefferson Davis, wired this afternoon that it was the wish of the family that the funeral should be conducted with full military honors, such as marked the burial of Miss Winnie Davis.

The funeral will take place Friday afternoon, from St. Paul's Episcopal Church, the church that President and Mrs. Davis attended.

Governors of all Southern States have been invited to be present at the funeral of Mrs. Jefferson Davis. All military and Confederate organizations in the State will attend. Stephen B. Lee, commander of the Confederate Veterans, will be chief marshal.

Mary Curtis Lee Chapter and the Seventeenth Virginia Regiment Chapter, United Daughters of the Confederacy, held meetings to-day and adopted resolutions of respect to the memory of Mrs. Jefferson Davis. Similar action was taken by R. E. Lee Camp, C. V.

Many Messages of Condolence. New York, Oct. 17.—The remains of Mrs. Jefferson Davis, widow of the president of the Southern Confederacy, will be taken to Richmond, Va., for interment.

Final arrangements for taking the body to Virginia have not been completed. According to the tentative plans prepared, the funeral party will leave New York Thursday, and the funeral will be held on Friday.

To-day hundreds of messages of condolence were received by members of the family from noted persons all over the country.

DAILY FASHION HINT.

In Royal Ermine.

Last season it was the snowy white ermine that was demanded of the fur-trader, but so skillfully was that imitated in the cheapest kind of pelts that now-a-days Dame Fashion demands the ermine that shows a slightly yellowish cast throughout, thus making a virtue of what was formerly considered a blemish. A royal set that is pictured herewith. The long stole is narrow at the neck portion, so that it sets well around the throat without any clumsiness or undue thickness, and below that point it broadens gradually to the waistline, where whole skins are applied flat and trimmed with a fringe of little paws and tails. It really would seem as though the ermine might be likened to the cat-o-nine tails, for there certainly does seem to be an undue allowance of these effective little tails that start yellow at the base and deepen into black at the tip. One tail to one ermine seems to be all too little for fashion purposes, but since the furrier assures us that they are all genuine ermine tails there is nothing to do but agree with him. The muff shows that smart turnover effect that is one of the later novelties, paws and tails being alternated in proportion to their natural occurrence.

KING RAMESES MARRIED.

Chicago Professor Has Proof of It, So He Reports.

Chicago, Oct. 17.—Rameses II died 4,000 years ago, but some facts of his life are just becoming known. One of these is the story of his marriage, revealed by Prof. James H. Breasted, of the University of Chicago, in a report of his researches among the temples along the Nile.

Prof. Breasted found the account of the marriage in the Sun Temple of Abu Simbel. To tell the story required an excavation of forty-one lines, each about eight feet long, making a total of 328 feet in length.

The word for "snow" is found here in snowless Egypt for the first time in history.

UNABLE TO ELECTRIFY LINES.

New York Central's Work Delayed Because State Lacks Funds.

Albany, N. Y., Oct. 17.—An opinion by Attorney General Mayer, given out to-night, may interfere with the electrifying of the lines of the New York Central from the Grand Central station north to Croton.

The attorney general late to-day advised the State board of railroad commissioners that it would not be authorized to permit the proposed change of electric crossings on the lines of the New York Central in Westchester County within what is known as the electrical zone, unless an appropriation is available to pay the State's share of the improvement.
